16<sup>th</sup> November 2021

Dear Parents/Carers of Big Acorns,

We hope you are all safe and well and the children are having fun at home.

This is a letter to say that 'remote learning' is on its way!

As it states in our 'Remote Learning Policy'- we have 48 hours to plan and get the home learning up and running for you all. Attached in the e-mail is a **suggested** time table for learning (Wednesday- Friday), running alongside times that we use when we are in class. Remember, this is only suggested and we understand lots of you will be fitting home learning around work and other commitments. We have also attached an 'Outline of Learning'. This is just simply the learning objectives we are covering for the next three days. In the pack, you will find a 'Continuous Provision' grid. In Big Acorns, when we are not sat on the carpet, we set out various activities that the children can choose from, all linked to our Early Years curriculum. We have compiled some different activities together. It would be great if your child could choose 1 (or more!) a day to have a go at. As this letter is being sent this morning (Tuesday morning), feel free to have a go at one of the activities today!

We are going to be using Tapestry to post the home learning on. You will receive notifications with Literacy/Topic, Maths, Phonics and Reading. We will only send one day at a time. We will have Wednesday's home learning set up by 5pm today to ensure you have time to look at it before the day comes.

We would like any learning for the core subjects to be uploaded to Tapestry.

Finally, parent's evening is still going ahead as it was virtual anyway. We look forward to seeing you at your booked time slots.

Good luck with home learning and we hope the children have lots of fun being at home.

Thank you for your continued support,

The FSU Team
