Friday 5th January 2024

Dear Parents / Carers

Study Books

We will be placing an order for the excellent study books from CGP that can be used at home to help your child consolidate key concepts in English and Maths.

They are available at a cost of £2.75 - £5.50 per book or bundle of books, for children in Year 6, if ordered through the school - a discount of around 50%.

If you would like to purchase any of the CGP study books for your child via the school, please complete the slip overleaf and return it to the school office by Friday 12th January. The order will take place on Friday morning. Payment for these books should be made via Schoolcomms and all payments must be made by 9am on the morning of Friday 12th January. Unfortunately, if you submit the order form without making an online payment for the correct amount, we will be unable to process your order.

All of the books on the order form are ones that I would recommend.

For the maths books, I recommend the standard level Arithmetic book and the standard level Targeted books for all children. The **advanced level/ stretch** Targeted books are more suitable for very confident mathematicians.

For reading, the **challenging/ stretch** book is recommended for confident readers.

If your child is entitled to Pupil Premium funding and you will be unable to purchase study books for financial reasons, please contact the school.

Further books are available at www.cgpbooks.co.uk

Yours sincerely,

Miss Amy Greygoose
Year 6 Teacher

CGP Study Books

Child's Name Year 6

I would like to order the following books:
