8th September 2023

Dear Parents and Carers of Big and Little Acorns,

We are thrilled to be able to share, that we will be continuing to use the app called Seesaw, a secure online journal where students can document and reflect on what they are learning in class. Your child will be able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and we can share them privately with you and other family members to view and comment on throughout the school year.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent.

E-safety is extremely important therefore we ask you to provide us with the following information and use the link below to sign the agreement to show that you have read, understood and agree with our guidelines. In order to access your child's learning journal, you must have completed this.

Kind regards,

Mrs K Whitehead
FSU and KS1 Leader
